## Financial Education and Empowerment

### Retention

1,000+ Financial Literacy Month participants

### Student Experience

94 student volunteers  
10 CPA volunteers  
2,500+ clinic hours

### Community Impact

\$4.2M+ in government benefits

# Lessons learned, best practices

## Financial Education and Empowerment

Partnerships within and beyond the university strengthen communities.

Invest in retention and well-being by equipping students with the skills and resilience to overcome top stressors.

Financial education addresses inequities and creates a more empowered generation.
